

Apply for International Student Short-term Visiting Program

Welcome to our international student short-term visiting program!

Before applying to visit, please note that visit dates are scheduled based on capacity and application submission order. If we receive a large volume of applications, your visit may be delayed from the expected start date. We appreciate your understanding that visit dates depend on demand and cannot always begin as initially requested. Our team will make effort to confirm your visit as soon as possible based on availability.

To apply, please use this link (<https://pumcheducation.wjx.cn/vm/hIAqeIU.aspx#>) to fill out the application form and upload required materials. We will review applications and aim to respond within 2-3 weeks. Approved applicants will be contacted by email to schedule visit dates based on availability.

If you have any question, please contact **pumchvisit@163.com** and include relevant keywords in the email subject line. This will help us address your inquiry in a timely manner.
